JUNE MONTH = AWARD MONTH

1) On June 1 we have launched our 2nd dApp AsliStamp.

ASLI STAMP is Industry 4.0 ready dApp for DataOps, Data Management and Verification System. Rely on the ability of ASLI STAMP powered by patent pending SwaNet (SWAN NETWORK) for Data Integrity, which mimics the ability of Swan to separate milk from water. The Digital footprint of the documents is stored on Blockchain in the form of hash and is used to generate QR Code, which can be used for authenticity of data on document.

2) On June 6 Mr. RK has been selected as *Top 40*, startup Entrepreneurs. The event was great success which was organised by I-Ventures, initiative by Zee tv, Singapore.

3) On June 24 Zoreum Labs flagship product, 'AsliMedicine' dApp has received 'Blockchain Award in Healthcare' at 'Global Blockchain Leadership Awards', Kuala Lumpur, Malaysia.

4) Zoreum always sets high standards and this time Mr. RK is being awarded with 'Excellence service in emerging technologies' for building global partnerships held on 30th June 2019 at 'International Achievers Conference', Dubai.
